

**Two Year Extension – Memorandum of Understanding Between the
Rhode Island Geographic Information System (RIGIS) Executive Committee and
the Rhode Island Board of Registration (RI BOR) for Professional Land Surveyors**

Purpose

It is the joint desire of RIGIS, the RI BOR, and the Rhode Island Society of Professional Land Surveyors (RISPLS) to continue to support the wording and intent of the Memorandum of Understanding (MOU) signed by RIGIS and the RI BOR in November 2009.

RIGIS & RISPLS will undertake a concerted and ongoing effort to educate both the producers and end users of our work on the vital distinctions described in the MOU.

Chairman, RIGIS Executive Committee
